To the parents of Jomar Osorio:

This is to inform you that **Jomar** has missed **7 days** of school and has been tardy **11 days**. Her attendance is very important; it affects her grades. Please be informed that without proper documentation showing why **Jomar** has been out/tardy her absence is **NOT** excused.

Our high school attendance policy states that our students MUST maintain a 85% attendance rate. Students are to be in school by 8:00 am or accompanied by a parent with a valid excuse for being tardy. If they do not they will be asked to return home for the day.

Please contact Ms. Torrie if there are any concerns 414-763-3449.

God Bless

Mr. Jose Guzman
